Error starting at line : 31 in command -

create table employees as select * from hremployees

Error report -

ORA-00955: name is already used by an existing object

<https://docs.oracle.com/error-help/db/ora-00955/00955.00000> - "name is already used by an ex

⌘Cause: An attempt was made to create a database object (such as a table, view, cluster, index, or synonym) that already existed. A user's database objects must have distinct names.

⌘Action: Enter a unique name for the database object or modify or drop the existing object so it can be reused.

Table EMPLOYEES dropped.

Table EMPLOYEES created.
